

# ANCO

Educating and Empowering the  
Northern California Cancer Community

## ANCO's ASCO20 Virtual Highlights

SATURDAY

**August 22, 2020**

8:00 am - 12:00 pm ONLINE

## Program Overview

**ANCO's ASCO20 Virtual Highlights** will summarize the major research and treatment advancements presented at this year's ASCO20 Virtual Meeting. The program will focus on breast, gastrointestinal, genitourinary, head and neck, and lung cancers as well as a panel on cancer care during the time of COVID-19. The faculty will place these developments in context as to their immediate clinical utility.

### Educational Objective

At the conclusion of ANCO's ASCO20 Virtual Highlights, participants should be able to:

Review, summarize, and interpret new advances and implement changes in the treatment of breast, genitourinary, head and neck, gastrointestinal, and lung cancers and cancer care during the time of COVID-19 presented at the ASCO20 Virtual Meeting.

### Disclosure Statement

All faculty members presenting at ANCO's ASCO20 Virtual Highlights are required to disclose any relevant financial interest or other relationship with the manufacturer(s) of any commercial product(s) and/or provider(s) of commercial services that are discussed at this meeting.

### Program Planning Committee

The Physician Course Director for ANCO's ASCO20 Virtual Highlights is Daniel Mirda, MD, Annadel Medical Group. Dr. Mirda was assisted by the ANCO Board of Directors (A. Dimitrios Colevas, MD, Tatini Datta, MD, Bradley C. Ekstrand, MD, David Gandara, MD, Matthew Gubens, MD, Tyler Paul Johnson, MD, Michael Zachary Koontz, MD, Raymond Liu, MD, Joel Neal, MD, Stephanie Ossowski, MD) and other Institutional Member and Group Member contacts in the selection of the faculty for ANCO's ASCO20 Virtual Highlights.

### Supporters & Exhibitors

Support for ANCO's ASCO20 Virtual Highlights is anticipated in part from ANCO's Sustaining Level Corporate Members Abbvie, AstraZeneca, Incyte, Lilly Oncology, Pfizer Oncology, Taiho Oncology, Takeda Oncology, and Verastem Oncology, and the following exhibitors Bristol-Myers Squibb Oncology, Caris Life Sciences, Daiichi Sankyo, Exact Sciences, Exelixis, Genentech BioOncology, Genomic Health, Gilead Sciences, Janssen Oncology, Jazz Pharmaceuticals, Gilead Sciences, Merck, Novartis Oncology, and possibly others. The final list of supporters and exhibitors will be available at the meeting.

### Association of Northern California Oncologists (ANCO)

ANCO was organized in 1990 to be an advocate for, educate, and inform the practicing hematologist and oncologist and represents more than 500 hematologists and oncologists throughout northern California.
