RE: ANCO's Corporate Membership 2025

The Association of Northern California Oncologists (ANCO) would like to invite your company to become an ANCO Corporate Member for 2025. We are sure your organization shares many of ANCO’s goals and objectives, as well as concerns regarding the future of quality cancer care. With your Corporate Membership support, a strong ANCO will provide its physician members, nurse and practice managers, and people living with cancer substantial benefits in the areas of advocacy, clinical and professional education, and information dissemination. Becoming a Corporate Member at the highest possible level will facilitate these activities and ensure that ANCO continues to serve the entire cancer care community into the future.

ANCO’s goal is to help hematologists/oncologists deliver the highest quality care to people living with cancer. ANCO’s clearly defined objectives are:

- To serve as an advocate for its members before state, regional, and national organizations (i.e., government, corporate, and private).
- To play an active role in the reimbursement environment on behalf of physicians, nurse and practice managers, and people living with cancer.
- To provide clinical education to physicians and nurses and professional education to physicians, and nurse and practice managers.
- To disseminate the latest and best information impacting hematology/oncology practice to its members.

Please find enclosed a description of ANCO’s 2025 Corporate Membership Program detailing the rights and benefits of each level of membership as well as listing ANCO’s current Corporate Members. Your Corporate Membership supports ANCO’s goal, objectives, and activities and it is only through your Corporate Membership that ANCO will continue to serve the hematology/oncology community into the future and remain the important and respected organization that it has become. Without your continued Corporate Membership, ANCO cannot continue to provide its services to the cancer care community.
Highlights of ANCO's 2025 Corporate Membership program include:

- Corporate members at our top two levels receive exhibit space at some of ANCO’s most highly regarded conferences and early access to reserve exhibit space.
- Corporate members at the Gold-level and above may discount display fees by 10% for ANCO’s Highlights meetings when applied for and paid with their 2025 Corporate Membership dues.
- All corporate members receive a 20% discount off non-member rates for exhibit fees and industry meeting registrations.
- Access for a selected number of corporate members to ANCO’s website depending on the level of your membership.

We understand that the funding mechanism at your organization may require additional documentation to become an ANCO Corporate Member (and provide additional meeting support). If so, then please do not hesitate to contact us with details or to discuss the appropriate processes to follow within your organization to join ANCO as a Corporate Member for 2025. In the meantime, and for your information, ANCO’s FEIN is 68-0213997. Please make your check payable to the ANCO and mail your check to 4225 Solano Avenue, #764, Napa, CA 94558.

Thank you in advance for your anticipated continuing support of ANCO.

Please contact Brian Hale, Member Relations Specialist, at brian@anco.org if you have any questions.
Before you begin. For guidance related to the purpose of Form W-9, see Purpose of Form, below.

1. Name of entity/individual. An entry is required. (For a sole proprietor or disregarded entity, enter the owner’s name on line 1, and enter the business/disregarded entity’s name on line 2.)

Association of Northern California Oncologists

2. Business name/disregarded entity name, if different from above.

3a. Check the appropriate box for federal tax classification of the entity/individual whose name is entered on line 1. Check only one of the following seven boxes.

- Individual/sole proprietor
- C corporation
- S corporation
- Partnership
- Trust/estate
- LLC. Enter the tax classification (C = C corporation, S = S corporation, P = Partnership) . . .

Note: Check the “LLC” box above and, in the entry space, enter the appropriate code (C, S, or P) for the tax classification of the LLC, unless it is a disregarded entity. A disregarded entity should instead check the appropriate box for the tax classification of its owner.

- Other (see instructions)

3b. If on line 3a you checked “Partnership” or “Trust/estate,” or checked “LLC” and entered “P” as its tax classification, and you are providing this form to a partnership, trust, or estate in which you have an ownership interest, check this box if you have any foreign partners, owners, or beneficiaries. See instructions . . . . . . . . .

4. Exemptions (codes apply only to certain entities, not individuals; see instructions on page 3).

- Exempt payee code (if any)

- Exemption from Foreign Account Tax Compliance Act (FATCA) reporting code (if any)

(Appplies to accounts maintained outside the United States.)

5. Address (number, street, and apt. or suite no.). See instructions.

4225 Solano Ave, PMB 764

6. City, state, and ZIP code

Napa, CA 94558

7. List account number(s) here (optional)

Part I Taxpayer Identification Number (TIN)

Enter your TIN in the appropriate box. The TIN provided must match the name given on line 1 to avoid backup withholding. For individuals, this is generally your social security number (SSN). However, for a resident alien, sole proprietor, or disregarded entity, see the instructions for Part I, later. For other entities, it is your employer identification number (EIN). If you do not have a number, see How to get a TIN, later.

Note: If the account is in more than one name, see the instructions for line 1. See also What Name and Number To Give the Requester for guidelines on whose number to enter.

Part II Certification

Under penalties of perjury, I certify that:

1. The number shown on this form is my correct taxpayer identification number (or I am waiting for a number to be issued to me); and

2. I am not subject to backup withholding because (a) I am exempt from backup withholding, or (b) I have not been notified by the Internal Revenue Service (IRS) that I am subject to backup withholding as a result of a failure to report all interest or dividends, or (c) the IRS has notified me that I am no longer subject to backup withholding; and

3. I am a U.S. citizen or other U.S. person (defined below); and

4. The FATCA code(s) entered on this form (if any) indicating that I am exempt from FATCA reporting is correct.

Certification instructions. You must cross out item 2 above if you have been notified by the IRS that you are currently subject to backup withholding because you have failed to report all interest and dividends on your tax return. For real estate transactions, item 2 does not apply. For mortgage interest paid, acquisition or abandonment of secured property, cancellation of debt, contributions to an individual retirement arrangement (IRA), and, generally, payments other than interest and dividends, you are not required to sign the certification, but you must provide your correct TIN. See the instructions for Part II, later.

Future developments. For the latest information about developments related to Form W-9 and its instructions, such as legislation enacted after they were published, go to www.irs.gov/FormW9.

What's New

Line 3a has been modified to clarify how a disregarded entity completes this line. An LLC that is a disregarded entity should check the appropriate box for the tax classification of its owner. Otherwise, it should check the “LLC” box and enter its appropriate tax classification.

New line 3b has been added to this form. A flow-through entity is required to complete this line to indicate that it has direct or indirect foreign partners, owners, or beneficiaries when it provides the Form W-9 to another flow-through entity in which it has an ownership interest. This change is intended to provide a flow-through entity with information regarding the status of its indirect foreign partners, owners, or beneficiaries, so that it can satisfy any applicable reporting requirements. For example, a partnership that has any indirect foreign partners may be required to complete Schedules K-2 and K-3. See the Partnership Instructions for Schedules K-2 and K-3 (Form 1065).

Purpose of Form

An individual or entity (Form W-9 requester) who is required to file an information return with the IRS is giving you this form because they
